

Hello!

My name is Mary Sommer. This is my fourth year as a Third Grade teacher at Luther L. Wright. I am originally from Moose Lake, Minnesota. I first moved to Ironwood back in 2003 immediately after graduating from the University of Minnesota-Duluth. While here, I was a substitute teacher in both Ironwood and Bessemer for 1 year. I then taught Head Start in the Ewen classroom and then moved to a Bessemer classroom. My husband and I started our family and decided to move to Fargo, North Dakota for six years. I was a substitute teacher in both Fargo and Moorhead, Minnesota for 2 years. Then I taught for the Head Start program in Moorhead for 4 years, before moving back to Ironwood. When I first moved back, I worked for the GOISD as the Great Start Parent Liaison for both Gogebic and Ontonagon county for 2 years.

I have been married to my wonderful husband Mat for 14 years. We first met and were then married in Duluth, Minnesota. We have three beautiful children. Mason (11) who is in sixth grade, Madden (9) in fourth grade, and Mila who will be 2 on December 24th. Outside of school I love to take walks, visit waterfalls in our area, read, and play sports with my children.

In my classroom, we strive to work hard and be kind to each other. I love my students to have a positive environment where everyone feels safe, loved, and free to make mistakes.
