

Hello!

My name is Niki McRae and this is my fifth year teaching kindergarten. My husband Patrick and I live in Ironwood with our 2 daughters, Hailey and Morgan. We love camping, kayaking, and enjoying the outdoors. The girls and I also love to ski.

I received my Bachelor's Degree in Elementary Education in 2004 from Northern Michigan University with minors in math and language arts. I also received an LPN degree in 2007. I have 8 years teaching experience. I've taught 3rd and 4<sup>th</sup> grade as well as Kindergarten.

Kindergarten is a time of new beginnings, of making friends, and of learning lots of new things each and every day. Our days and weeks will be filled with many wonderful experiences and opportunities for learning and growing!
