

Hello!

My name is Noel Aho and I have been teaching in Ironwood since 1994. Before beginning my teaching career in Ironwood I was a substitute teacher, taught at St. Sebastian School, and taught at Hurley K-12 School. Through the years I have taught Pre-Kindergarten, Kindergarten, Title Reading, 4th grade and 3rd grade. I grew up in Ironwood and graduated in 1987. I attended Gogebic Community College, Northern Michigan University and graduated from Northland College.

While teaching in Ironwood I was also involved in coaching; 7th & 8th grade girls basketball, junior varsity girls basketball, varsity girls basketball and varsity girls softball. I was involved in the elementary basketball program, AYSO soccer and Ironwood Little League for several years.

My husband and I have been married for 26 years and have 2 daughters. Payton(21) and Paige(18) are both currently in college.

I want my students to feel safe and not afraid to make mistakes. We all learn by making mistakes. In 3rd grade we work on listening, following directions, and being organized. I look forward to each and every year! I enjoy meeting and getting to know new students and their families. I enjoy the challenges each year brings!
