

Hi Everyone!

My name is Sara Sivula and I teach kindergarten through second grade Title I. I grew up in Ironwood, attended Sleight School, and graduated from Luther L. Wright High School. After attending Gogebic Community College I finished my teaching degree at the University of Wisconsin - Stevens Point. I moved back to the area in 1995 and have taught in the Ironwood Area Schools for the past 21 years. Twenty years of my career has been teaching Title I and one year teaching fifth grade.

My husband and I currently live in Kimball. We have one grown daughter Cassie. She and her husband Erick live in Duluth, MN with their 3 children and 4 dogs. Some of the things we love to do are camping, traveling, and spending time with my friends and family.
