

Hello!

My name is Stephanie Justinak and I have been teaching first grade for the past 5 years. I am a graduate of Luther L. Wright High School. I currently live in Ironwood with my husband and two children who attend LLW K-12. I have twenty-one years of teaching experience spanning from Elementary and Middle School up to teaching/coaching at Gogebic Community College. I look forward to providing a safe, nurturing environment for my students to learn, grow, and have fun.
