

My name is Susan Clausen. I am a fifth grade teacher at Luther L. Wright K-12. I have been teaching at LLW for over 18 years. I also taught at an alternative high school in Phoenix, Arizona and an elementary school in Apache Junction, Arizona. I graduated with honors from Arizona State University in 1996.

I was born and raised in the Ironwood Area and I am a 1988 graduate of Luther L. Wright. My husband and I have three children. Our son is in the Air Force, one daughter attends the University of Green Bay, and our youngest daughter is a senior. I enjoy walks with my dad, snowshoeing with my chocolate lab, and bike riding with my husband.

I look forward to working with each of my students to help make them “smarter than a fifth grader”!
